

Winning Edge Puppy Formula

Product Analysis

Protein:	29%
Fat:	14%
Fibre:	3.5%
Salt:	1%

Ingredients:

Wholegrains, meat and meat by-products derived from beef, sheep, lamb and poultry, rice pollard, cooked cereal, grain by-products, tallow, oil from vegetable seeds, kelp, garlic, iodised salt, lysine, vitamins A, D, E, K, B1, B2, B3, B6, B12, biotin, cobalt sulphate, folic acid, magnesium oxide, manganous oxide, potassium iodide, zinc sulphate and calcium propionate.

Winning Edge Puppy Formula has been designed to meet the specific needs of the new born pup along with the lactating bitch.

Facts

- Winning Edge was initially released in early 2000 and was the first extruded greyhound product on the Australian market.
- Winning Edge saw a need for a product that had a vitamin and mineral enhancement.
- Winning Edge added 'Extrumalt' to the entire range in 2005.
- 'Extrumalt' is derived from extruded malt and is a natural source of Maltodextrins.

Industry needs have been addressed and met with the introduction of this complete range:

- Winning Edge Platinum
- Winning Edge Kibble
- Winning Edge Baked Biscuits
- Winning Edge Puppy Formula

Winning Edge supports the industry with sponsorship of major events nationally. Support the company that supports you!
